# Driver Education Policies

1. All students must turn 16 by the date of the last scheduled class.

2. Student whose privilege to operate a motor vehicle is suspended or revoked shall not be permitted to take the course.

3. Tuition will only be refunded if the student determines that they do not want to continue the course by the end of the first scheduled classroom session. Refunds will not be given at any other time.

4. Attendance at all classes is extremely important and any absences are discouraged. To pass this course the State of New Hampshire requires that students must not miss more than 4 hours of classroom time. The instructor must approve all absences, and make up assignments are required for all missed classroom time. If you miss more than 4 hours of class you will need to retake the entire course at your own expense unless there are extenuating circumstances that have been discussed and arranged with the instructor.

5. You must be on time for class and stay for the entire class or make up assignments will be assigned.

6. No breaks will be given during the scheduled classroom time. Food and drinks are allowed during class as long as all students are responsible for their own clean up.

7. Exeter Hospital is a non-smoking facility. It is illegal for anyone under the age of 18 to be smoking and if caught smoking on the campus you will be removed from the class with no refund.

8. No fighting, swearing, disruptive behavior, or substance abuse will be tolerated during classroom or driving times, or at any time when on the Exeter Health Resource's campus. Driving is a large responsibility and any student who does not demonstrate appropriate behavior will be removed from the class with no refund.

9. All students will be required to provide a check for $25 made out to Exeter Hospital to cover the cost of the required driver education book. If the book is returned to the instructors in good condition on the last day of class the check will be returned. If the book is lost or damaged the check will be deposited to cover the cost of replacing the material.

10. Behind the wheel training will correlate to classroom instruction and will be offered concurrently. All driving times will be scheduled after school on Monday thru Friday and on limited weekend hours. All driving times will start and end at Exeter Hospital. Daytime driving times will be available during school breaks, days off, etc.

11. If you do not show up for a scheduled driving time you will be charged a $50 no show fee and no further driving times will be scheduled until this fee is paid.

12. A certificate of completion will be issued at the end of class only if the following requirements have been met:
    A. The student completes all required classroom hours (30 hours) with a grade of 80 or better
    B. The student completes 10 hours of behind the wheel training
    C. The student completes 6 hours of in-car observation
