

CROSSPOINT PHYSICAL THERAPY HAS JOINED EXETER HOSPITAL REHABILITATION SERVICES

Exeter Hospital Physical Therapy at CrossPoint offers a wide range of physical therapy services for orthopaedic and musculoskeletal conditions and injuries, as well as post operative conditions and sports injuries.

Gary Mercer, PT, II is an experienced and established physical therapist who has provided care in Portsmouth for more than 20 years. His focus is on providing collaborative care, working closely with patients so they are a part of the process of returning to full health.
