

# Stacey Condon, OTR/L

Occupational Therapist

Stacey joined the Exeter Hospital Pediatric Rehabilitation Team in the fall of 2016. Prior to joining the team, she spent her career in pediatrics in both early intervention and school system settings. Stacey has brought her enthusiasm and experience working with young children, families, and professional teams to our clinic-based setting. In her free time, Stacey enjoys time on the lake where she lives and visiting the ocean where she grew up. Most of all, she loves spending time with her two children.
