When will I receive my hospital bill?

If you have provided insurance information to us, including Medicare/Medicaid, we will submit a claim to them as a courtesy. Once payment is received by your insurance, if there is a balance due, you can expect to receive a bill within 5 days. If you are uninsured, you can expect to receive a bill within 5 days.

When is payment due?

Payments are due within 30 days of the bill date, unless otherwise indicated on the bill.

How do I receive an itemization of my bill?

In order to reduce the amount of paper produced and to save on costs, Exeter Hospital does not routinely send out itemized billing. If you would like an itemization, please contact our Patient Accounts Office at 603-580-6627 and we will provide a copy to you. The statement you receive will show a summary of the charges billed.
