

VIRTUAL GRIEF AND LOSS BEREAVEMENT SUPPORT GROUP

**WHEN: Six Consecutive Wednesdays, 12:00pm – 1:30pm
June 2nd – July 7th**

WHERE: Virtually on Webex. This is similar to Zoom. Once registered for the group, please download Webex on your computer/device that you will be using for group. The Bereavement Coordinator will be following up with you to confirm this.

This six-week interactive support group provides an opportunity for members to meet virtually during this challenging time to connect in a safe, supportive space, all while enjoying the comfort of staying home. We will come together to explore the grieving process and share with others who are coping with the loss of a loved one.

This group is free.

Important: Please have access to a camera via a web camera or a camera that is on the device that you will be using to attend the group. This is to be able to see each other to connect as best we can during this time. Please be able to attend all 6 sessions. With this being a virtual group space is limited and we are able to register the first 10 participants.
