

Quira Rodgers, M.S. CCC-SLP

Speech and Language Pathologist

Quira is a speech language pathologist (SLP) who recently moved from California to New Hampshire. She has worked with patients as young as 13 months and as old as 103 (wow!). Her primary interest is adult rehabilitation with experience in the assessment and treatment of dysphagia (swallowing disorders), voice disorders, speech and language disorders, and cognition. At her previous facility, Quira helped develop a specialized cognitive/behavioral program for persons with dementia. Quira is licensed by the state of New Hampshire and holds a Certificate of Clinical Competence through the American Speech Language Hearing Association (ASHA). In her free time, she enjoys reading journal articles, playing board games, walking the beach with her family, and traveling to new places.
