Patients are now able to get a copy of their Medical Record via the Download Medical Record button in the Patient Portal.

Once logged into portal, click Health Record button.

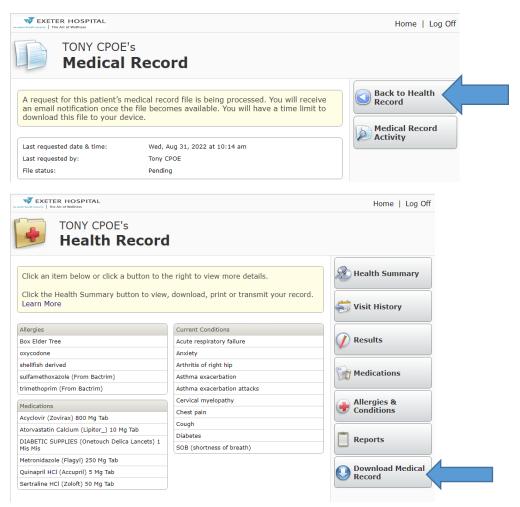

Next, click the Download Medical Record button

From the above screen, click "Request Medical Record".

Next, you will see the file status as "Pending" as shown below.

As soon as the file is ready (usually 1-2 mins.) You can click the "Back to Health Record Button" then go back in to the "Download Medical Record" button. You will also receive an email that you have New Info available in your portal account. (example below)

Below, is what the email will look like that you will see in your inbox, when the file is ready.

Dear Tony CPOE,

Login to your Exeter Hospital Patient Portal to view new information that was recently posted. Questions? Click the "Contact Us" link at the bottom of the Exeter Hospital Patient Portal screen. **THIS NOTIFICATION IS COMING FROM THE TEST SYSTEM. LOG IN WITH YOUR TEST USER ID AND PASSWORD**

You have new items. Click on the link(s) below to view.

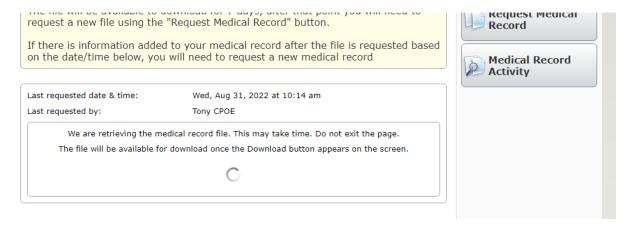

· Medical Record Download

You can log on to the Home page of your portal by accessing the link below: Click here to sign in.

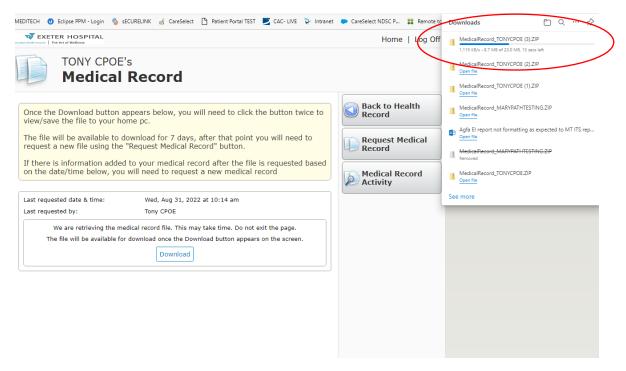

When the Download button appears as the File status, you are ready to download your file.

Click the Download button, you will see it is retrieving the file.

Click the Download button a 2nd time (or maybe 3x's), now you will see a Downloads box pop up on your screen. This is downloading the file to your pc.

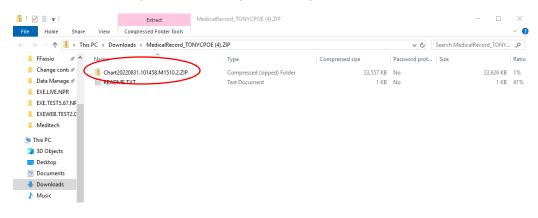

Click Open file to access the zip file

Next, you will see the zip file as shown below. Double click on the Chart folder that ends in .ZIP

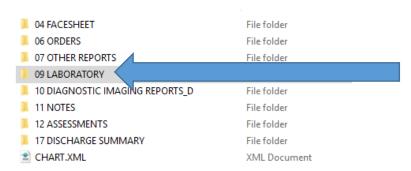

To save this to your desktop, simply DRAG and DROP the file onto your desktop. (with zip file highlighted, click the left mouse button and hold it down as you drag the mouse to your desktop, release the mouse button to place the file on your desktop)

Next you will see a list of folders. Each of these folders contains your medical record from a specific visit to Exeter Hospital. Double click on a folder to see the contents. (V# next to your name is the account number that you were assigned during that particular visit to Exeter Hospital)

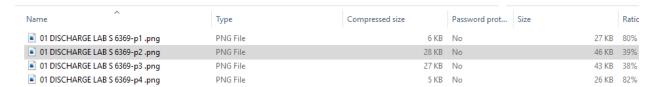

After clicking on a specific visit, such as V00000002648, you will see a list of folders separating out your medical record into categories.

Double click on the folder you wish to view (I clicked on Laboratory), then double click on the folder that is numbered. (then click on the folder 1 -)

Inside that folder, you will find everything from that specific visit for that category. In this example, there are 4 sets of Discharge labs from this visit.

Double click on the .png file to see the actual lab report.
