1. A non-refundable down payment of \$350 is required to secure your seat in class.
2. Payment in full (\$700) is expected the week before the first class. Checks payable to Exeter Hospital or credit card payments are accepted. If you are paying by cash you will need to call and make an appointment for payment to be collected. Book deposits will be collected at the first class and can be check or cash. The deposit will be returned to the student at the end of class when the books are returned.
3. Forms: The following forms are required for each student:
 - a. Consent form: signed by student and parent/guardian
 - b. Driver education policies: signed by both student as parent/guardian
