

Allison Butters PTA

Physical Therapy Assistant

I enjoy teaching people ways to manage their conditions and chronic pain through exercise and body mechanic education. I currently work in the Pool and clinic as well as the Raymond Satellite site. - I have worked for Exeter Hospital since 2008 and a variety of other settings including Sports Medicine, Assisted Living, Skilled Nursing Homes and Acute Care. I enjoy working out, reading and spending time with my family.

Education 1991 The Pennsylvania State University Associate in Science for Physical Therapist Assistant
