

The Center for Cancer Care

Meet the Medical Director

Panos Fidias, MD

Medical Director, Medical Oncology and Hematology

Dr. Fidias is a member of the Thoracic Oncology service at Massachusetts General Hospital's Cancer Center and has 20 years of experience in the oncology field. He has served as the Clinical Director of the Thoracic Oncology Clinic and as Medical Director of the Oncology Inpatient Service at Mass General. He also currently serves as the Medical Director of Medical Oncology and Hematology at Exeter Hospital working with Massachusetts General Hospital's Cancer Center, and is an Associate Professor of Medicine at Harvard Medical School. Dr. Fidias treats all types of cancer, with particular expertise in the areas of lung cancer, thymoma, esophageal cancer and other intrathoracic malignancies.

“The philosophy that drives our practice and was the catalyst for the collaboration between Exeter Hospital and Massachusetts General Hospital’s Cancer Center is to provide academic level expertise and care locally, in the community where patients and their families live.” – Dr. Fidias.
