

Matthew Gregiore PT, OCS

Physical Therapist, Board Certified Orthopedic Clinical Specialist

Matt earned his Doctor of Physical Therapy along with his Bachelor of Science in Health Science from Franklin Pierce University and joined Balance in 2020. Matt has experience with a wide variety of orthopedic conditions including post-op diagnosis, sports-related injuries, and chronic pain. He also has experience working as an inpatient therapist at CMC hospital with a focus on cardiac conditions. Matt is passionate about training athletes and developing strength programs for sports teams. He is certified in dry needling, a certified strength and conditioning specialist, and received his APTA Board Certified Orthopedic Clinical Specialist in 2022. His goal is to help every patient reach their full potential and understand the impact movement and exercise can have on their everyday life.
