

Kristin Gove, M.S., CCC-SLP

Speech and Language Pathologist

Kristin has a variety of experience working with both children and adults. She has been working exclusively with the pediatric population for the last 13 years with the Pediatric Rehabilitation Department. She works with children with a variety of diagnoses and has attended many conferences in the areas of feeding and swallowing, picky eaters, autism, Social Thinking®, stuttering, Lively Letters® and Interactive Metronome®. Outside of the department she enjoys spending time with her husband, and two little girls.
