

Having the Conversation:

Talking About and Planning Your Wishes for Future Healthcare

Do you know what medical treatments you *would* and *would not* want if you could not speak for yourself?
Do other people know what your wishes are?

We invite you to attend *Having the Conversation*, a free 2-hour class designed to help you

- Understand the importance and process of advance care planning.
- Increase your confidence to talk with loved ones and health care providers about your wishes and decisions for future healthcare.
- Learn the steps to create a New Hampshire advance directive, a legal document that states your wishes and decisions for future healthcare.

Classes meet on the Exeter Hospital campus, Exeter, NH
Summer – Fall, 2017:

Wednesday, August 30, 5:00 pm – 7:00 pm, Exeter Hospital Conference Room 2 North

Wednesday, September 20, 10:30 am – 12:30 pm, 4 Alumni Drive Conference Room 1

Thursday, November 16, 5:00 pm – 7:00 pm, Exeter Hospital Conference Room 4 North

The class is free of charge, but registration is required.
